**Traditional Irish Music** is at the heart of the Irish culture and history, never as a static antiquity, the tradition is alive and vital and can be enjoyed at Russborough while you eat, or relax or shop. This will make a beautiful setting even better!

**Vintage Car Rally** is being organised by the National Vintage Car Club and will provide a historic addition to the Russborough House backdrop.

Those interested in photography will enjoy a day out with these remarkable cars in front of the house.

Russborough House and Demesne

#### Russborough Tour of House & Shop

Russborough welcomes visitors to the demesne (estate) to explore the grounds and walks, the rich heritage and the lovely rooms, learn about the Beit Art Collection, and relax and discuss the history over a cup of tea or coffee.

You can begin with a relaxing walk around the grounds in front of the house, and view the magnificent mansion from the far side of the lake. Maybe try the Maze and see how far you can get.

The house, which has been described as 'arguably the most beautiful house in Ireland' by historian Mark Bence-Jones, has wonderful rooms, with magnificent interiors and ceilings, along with some exceptional collections of furniture, silverware and porcelain.

Finally they have an excellent small shop with many interesting and useful items.
